EB Emerging Market Screened Equity Tracker

This internal branch 23 investment fund is marketed by Allianz Benelux SA/NV for 2nd pillar products for employees.
Your payments are converted into units of the fund and are assigned to the contract.

INVESTMENT POLICY

The assets of the internal investment fund are invested in the sub-fund iShares Emerging Market Screened Equity Index Fund (IE00BKPTWY98) of BlackRock Index Selection Fund, an umbrella mutual fund registered in Ireland as an Undertaking for Collective Investment in Transferable Securities ("UCITS"), designed by BlackRock Asset Management Ireland Limited. The Fund's objective is to achieve a return on investment, through a combination of capital growth and income from the Fund's assets, that is similar to the performance of emerging equity markets worldwide, excluding companies that do not meet certain environmental, social and governance ("ESG") criteria. The Fund is passively managed and aims to invest, in equity securities (e.g. shares) of companies in global emerging markets that make up the MSCI Emerging Markets ex Select Controversies Index (the Index).

The summary risk indicator is a guide to the level of risk of this Fund compared to other products. It shows how likely it is that the Fund will lose money because of movements in the markets or because we are not able to pay you. The sub-fund invests in financial markets and uses techniques and instruments which are subject to fluctuations, which can result in gains or losses.
Due to the stock portion in the sub-fund, depreciations are possible. In periods of rising interest rates, interest fluctuations can also cause depreciations of the bonds.
